

## CALCULATING YOUR GLOBAL FOOTPRINT- HOMEWORK

Please spend time filling this out. If you don't know the answer to any of these, ask your parents! Let them know this is for an assignment you will be participating in tomorrow during class. They can provide estimations for pricing and materials if they so choose.

Square footage of living domain \_\_\_\_\_ sq. ft.

Primary building materials of the living domain (exterior) \_\_\_\_\_

Does any electricity come from renewable sources? (Circle one)      YES      NO
